

Weatherization COVID-19 Acknowledgment

Now that we have completed the energy audit of your home, we can begin the weatherization process. If at any time during the weatherization process you or anybody living in the home experiences symptoms of COVID-19, you are required to notify REAL Services within 24hrs of symptoms beginning or prior to any workers entering the home. If at any time during the weatherization process you or anybody living in the home is diagnosed with COVID-19, you are required to notify REAL Services immediately.

**The marked items below are examples of symptoms that would require notification.

- Fever or chills
- Chills
- Shortness of breath or difficulty breathing
- Extreme fatigue
- Muscle or body aches
- Headache
- Congestion or runny nose
- New loss of taste or smell
- Sore throat

- REAL Services takes an active approach to preventing the spread of infectious diseases. We encourage all clients to educate themselves as best as possible and take all required steps to prevent the spread of infectious germs. By signing you are releasing REAL Services from any and all liability should you or a member of your household become infected.
